## **Aseptico Career Information**

### **Who is Aseptico, Inc?**

Aseptico, Inc. is a small, well established company that designs, builds and sells high quality dental equipment for use either in dental offices or in remote areas. Our products allow skilled professionals to provide much needed dental services to our military forces in the field, and at missionary facilities throughout the world. Aseptico employees take pride in knowing that their efforts help make life better for people in need.

### **Why Aseptico, Inc?**

We offer a unique career opportunity for talented and dedicated individuals because we:

- are small enough that your contributions will make a real difference
- enjoy a highly interactive, team-oriented workplace where you know your colleagues by their first name
- are established and stable, and enjoy steady growth in our niche market
- are large enough to offer career growth paths, and promote from within
- offer professional development and competitive compensation and benefits

### **How do I join the Aseptico Team?**

First, check out our current openings on our company website, [www.aseptico.com/jobs.html](http://www.aseptico.com/jobs.html). If you see a position you're interested in, have the listed qualifications and are ready to take your next career step, complete and email our application form, along with your resume if you have one, to [hr@aseptico.com](mailto:hr@aseptico.com), or fax them to 360-668-8722.

We appreciate your interest and look forward to talking with you.

**Aseptico is an equal opportunity, affirmative action employer.**
